In the event I, \_\_\_\_\_, (or my spouse or other guardian) am not present during a swimming practice, meet, or event involving my/our children listed below, I/we authorize the KMSC, Inc.'s swimming instructor, coaches, or manager or assistant manager to act **IN LOCO PARENTIS**, that is, as my/our exclusive agent with respect to deciding whether my/our child is able to complete safely a practice session or a swimming competition, and also for the purpose of obtaining emergency medical service, including transportation to a hospital or medical care facility. This agreement and authorization applies to any practice, swim meet, or any other activity involving the swim team for which I (or my spouse/ or other guardian) am not present. I/We also agree to pay all costs arising out of the emergency medical service, including transportation, which KMSC, Inc.'s swimming instructor, coaches, or manager or assistant manager may authorize under this agreement for the benefit of my/our child. In the event of a dispute regarding costs arising between me/us and either the ambulance operator or the hospital, or both, under this authorization, I/we shall have no recourse against KMSC, Inc., or any of its employees, agents, management, directors, or members. The children listed below are in good health and have permission to swim on the KEMP MILL SWIM TEAM this year. By my signature below, I/we agree to this authorization.

### Volunteer Agreement

The summer swim season is not possible without the active participation of swim team parents. I understand that by registering my children, I am agreeing to volunteer for at least one off-deck assignment (fundraising helper, pep rallies, volunteer coordinator, etc.) during the season and will volunteer for on-deck assignments (timing, starter, stroke and turn judge, ribbon writer, Kafe helper, etc.) for at least half of the meets in which my children are entered. (Contact Brad Weinsheimer for a full list of the many volunteer opportunities or for other ways to fulfill this obligation.)
